Meets A-G Requirement? .... YES  

Course Description:  
Espanol Para Hispanos 3 is a Spanish Language Arts course for students whose primary language is Spanish. The course includes the expansion of vocabulary through contemporary reading, practice in advanced grammar and composition, refinement of reading and writing skills and an emphasis on increasing interest in and acquiring new insights into the richness of the Latino culture through discussion, lectures, readings and films.  

Content also includes history and geography of the Spanish-speaking world, literature, culturally-based writing, oral reading, analysis of literature, project learning, music appreciation, and a review of Spanish grammar.
