

Oakland Technical

Oakland Tech has a long history of offering innovative, rigorous, and supportive programs, and continues to work on improvement. Our vision is for our students to work cooperatively and communicate respectfully, to achieve high expectations and meet solid academic standards, and to graduate with transferable academic, vocational, and social skills, prepared for college, quality jobs or career education. To support this vision, Tech offers small learning communities at the 9th grade level, Academy programs (grades 10-12) in Health, Engineering, Computer Technology, and Green Technology, an integrated Biotech internship program, a strong performing arts program, a Paideia interdisciplinary humanities program, and an Advanced Placement/Honors program (grades 10-12).

Oakland Tech has a long history of offering innovative, rigorous and supportive programs and continues to work on improving its program. Our vision for Oakland Tech:

- All members of the Tech community will work cooperatively, and communicate respectfully, in a peaceful, safe and clean environment
- All Tech students will strive to achieve high expectations, meet solid academic standards, and have equal access to an enriching curriculum that will enable them to reach their highest potential.
- All Tech students will graduate with transferable skills in academic, vocational, and social development for college, quality jobs or career education.

To support this vision, Tech offers small learning communities at the 9th grade level, Academy programs (grades 10-12) in Health, Engineering, Computer Technology, and Green Technology, an integrated Biotech internship program, a strong performing arts program, a Paideia interdisciplinary humanities program, and an Advanced Placement/Honors program (grades 10-12).
